TheSmileTrain

Unlike many charities that do many different things, The Smile Train is focused on solving a single problem: cleft lip and palate.

Clefts are a major problem in developing countries where there are millions of children who are suffering with unrepaired clefts. Most cannot eat or speak properly. Aren't allowed to attend school or hold a job. And face very difficult lives filled with shame and isolation, pain and heartache.

The good news is every single child with a cleft can be helped with surgery that costs as little as \$250 and takes as little as 45 minutes.

This is our mission:

- To provide free cleft surgery for millions of poor children in developing countries.
- To provide free cleft-related training for doctors and medical professionals.

Until there are no more children who need help and we have completely eradicated the problem of clefts.

Tax Information - Always consult your tax advisor. The cost of golf and other items received is approximately \$100. Any hole sponsorships or additional donations should be deductible as a charitable contributions. The Pape Foundation, NFP is a non-for-profit corporation.
